A 3D platformer where you herd your emotions by hopping, shrinking and dashing your way through obstacles. Don't hold in too many feelings or it may just blow up in your face!

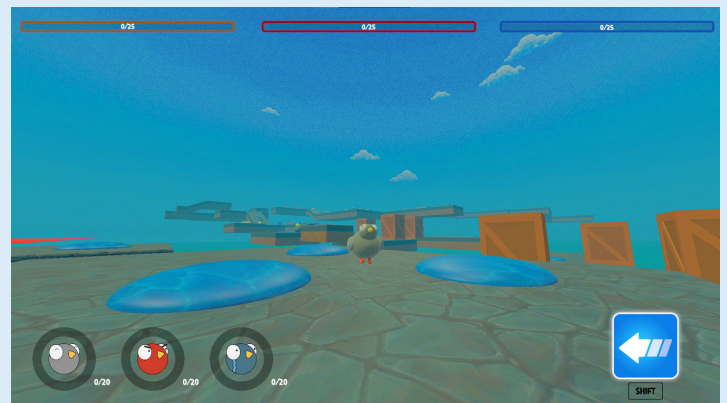

- Unlock your hidden potential through our (totally legitimate image-based) mood matrix
- Jump, shrink and dash your way through perilous platformer challenges
- Herd up Happy, Angry and Sad sheep into the Orb of Emotional Importance
- Don't hold in too many feelings or face explosive results!

Testimonials

“What makes this collectathon different from other platformers is its emphasis on emotions, with the player pigeon being able to access different abilities by harnessing different feelings.”

- IGN SEA
